

Winter Clinic Series

Alabama Athletic Department Hank Crisp Indoor Practice Facility

Boys and Girls Age 13-18

9 Sessions \$135.00

The Alabama Soccer Academy Winter Clinic Series is designed for soccer players who are motivated to maintain and improve their technical skills throughout the off season. All sessions will be under the direction of the University of Alabama Soccer staff. The focus will be on the fundamentals for players to gain a greater comfort level on the ball in preparation for the upcoming spring season.

Session Topics

passing/receiving
ball striking
dribbling to beat an opponent
dribbling to escape pressure
